HOW DID YOU HEAR ABOUT US?

INSTRUCTIONS FOR COMPLETING YOUR ORDER FORM

1. Remove the album covers and/or spines to be imprinted
2. Complete and attach a separate work order for EACH album.
3. If you would like us to match another cover/spine, please include it with your order.
4. Be sure to include your phone number and/or email address in case we have questions regarding your order.
5. Print the text out EXACTLY as you would like it to appear. Use upper and lower case and underline each letter to be Capitalized.
6. Duplicate lines of text or graphics means EXACTLY duplicates, same font, size and type style.
7. Imprinting is generally limited to areas specified in the diagram on the work order. However, please ask if you have a special request and we may be able to accommodate you.
8. Include payment with your order. Checks should be made payable to **Forever Foiled.** Credit card orders need to include the billing zip code and the CCV#.

SPECIAL NOTES

- Not all ablums can be imprinted. Highly textured albums (tapestry, denim, etc.) as well as plastic album covers cannot be imprinted. Pioneer brand albums also cannot be imprinted.
- Different textures and album age may affect imprint quality. Oils in leather mat affect foil imprinting over time, resulting in a distressed finish of the imprint.
